Lifepromotions.org

Life Promotions mission is to instill hope in America's youth. Since 1983 Bob Lenz, founder and president of Life Promotions has lead that mission. Bob and other Life Promotions speakers have delivered transforming presentations to millions of young people that encourage...*living life to the fullest.*

Through school assembly programs, rallies, conferences and festivals, such as *Lifest*, Bob and other Life Promotions speakers let youth know they matter. The success of these programs working together has made an incredible difference in the lives of countless young people, as demonstrated in the following responses from students...

"Today before I attended your program I tried to commit suicide. After your program I realized that I will always have someone to turn to. Thank you."

"Although you didn't stress eating disorders it really hit home. That night I told my mom I needed help...now I am in treatment for bulimia...thank you immensely for opening my eyes."

"Life Promotions is in the business of seeing lives changed. I'm eternally grateful that one of those lives was my own."

Please be a part of changing lives by joining Life Promotions in support of this important fundraising event. Thank You.

For more information on Life Promotions please check out our website at www.lifepromotions.org or by calling at (920) 738-5588.
